Dear Commissioners at the Independent Redistricting Commission:

It is my hope and request that you put forward a map that keeps the current 23rd Assembly District intact. The proposed map adds barriers that would wipe away decades of progress and set the Rockaway Peninsula backwards. It would also separate and weaken the common interest the community has developed over many years. The current borders of the 23rd Assembly District is how the future map should be drawn.

These lines have helped to ensure that the Jewish residents on the western part of the Rockaway Peninsula have worked together with the Jewish residents of the eastern portion of the Peninsula building a strong community. Together, through the partnership with a common one Assembly seat, the two Jewish communities on the different sides of the Peninsula have been able to successfully obtain funding for the nonpublic schools, create security and protection for the community and strengthen the bonds of community. The current plan would sadly hurt the existing community and weaken our voice, when during a rampant and ongoing increase of anti-Semitism across our State is the opposite action we should be taking.

I understand the hard work the Commission has put into drawing these maps, but Rockaway and the 23rd Assembly District are a unique place. The way the current lines of the 23rd Assembly District are drawn have allowed our community to embrace its Jewish identity on both sides of the Rockaway Peninsula. For decades these maps have worked successfully, and I respectfully request that they be carried over into the new map.

I thank you for taking the time to read my concerns and taking my opinion into consideration.

Sincerely,

Aharon Samowitz

My name is Amira Ismail. I have lived at 66-25 Garfield Avenue 11377 Woodside, Queens for 15 years. I am 16 years old. I am a full time student at Razi School at 55-11 Queens Blvd. and work at Malikah based in Astoria.

I agree with the Independent Redistricting Commission's plan for Jackson Heights, Elmhurst, and Woodside. The existing redistricting patterns and Woodside's division into two working-class neighborhoods up against wealthy regions, specifically down 69th street. The current maps prevent communities from receiving enough government help since the MFI isn't as accurate as it could be.

I vehemently oppose the recently proposed district map titled 29 on the

following grounds:

- ☒ The new district lines would result in the prohibited denial/abridgment of racial or language minority voting rights;
- ☒ To the extent practicable, districts containing as nearly as may be an equal number of inhabitants;
- ☒ Districts must consist of contiguous territory and shall be as compact in form as practicable;
- ☒ Districts cannot be drawn to discourage competition, or for the purpose of favoring or disfavoring incumbents;
- ☒ The maintenance of existing districts, pre-existing political subdivisions, including counties, cities, towns, and communities of interest.

I am a resident of the 27th Assembly District. It is my understanding that a new set of maps are being drawn.

I would like to voice my support of the current lines. I ask that you keep the southern portion boundaries as is. Please use Union Turnpike as the southern boundary. 164th street as the eastern boundary, and the Van Wyck as the western boundary.

Ensuring that all of Kew Gardens Hills is within 27th Assembly District was a promise you kept in your last drafts after testimony. To ensure there is no separation of communities, please add the co ops north of the Cross Island Parkway in Beechhurst to our district. This will ensure communities in the Assembly District are kept whole.

Below you will find a link of the map we would like to see as your final draft.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

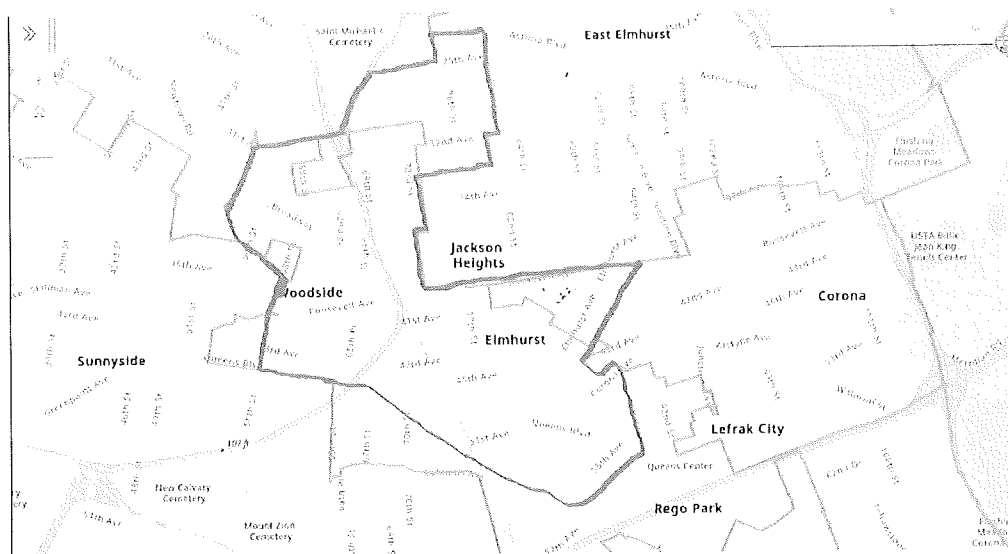

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

**Petition to New York State
Independent Redistricting Commission**

Esteemed members of the commission:

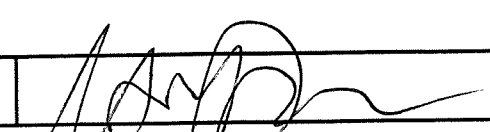

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

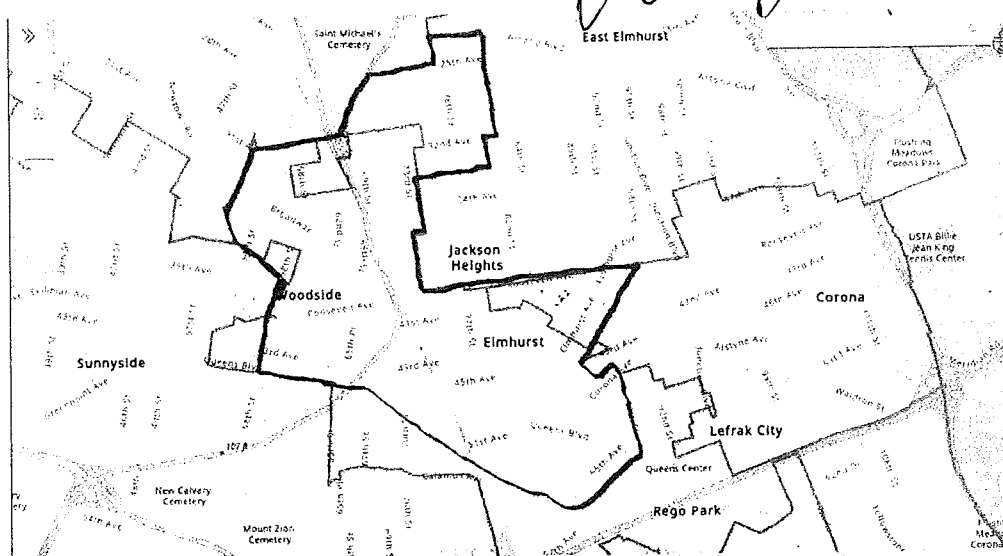

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

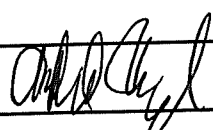

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

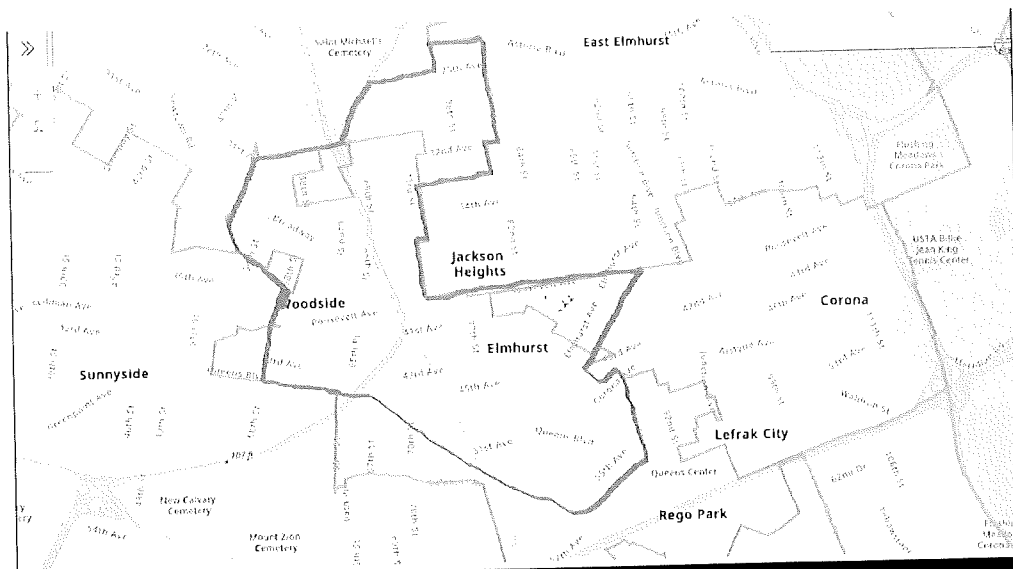

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

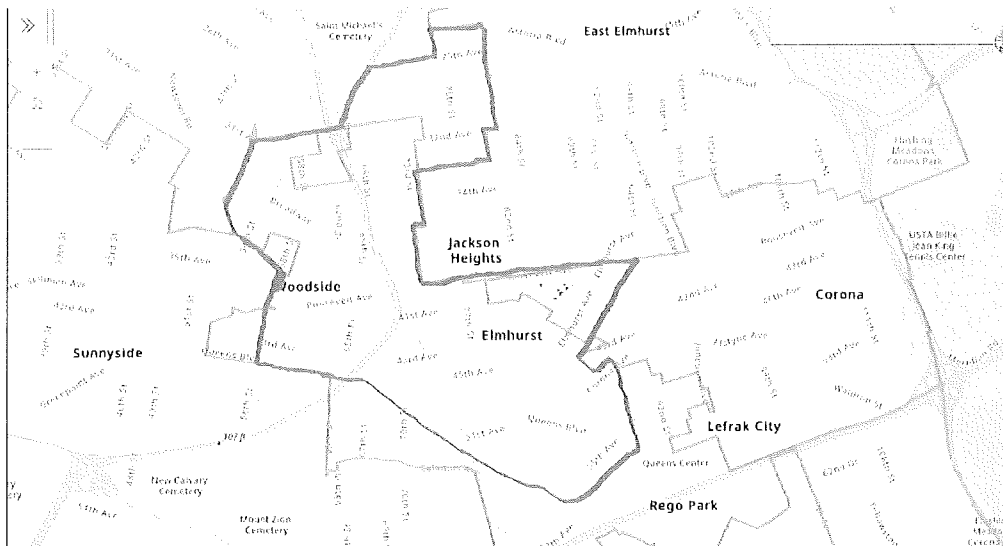

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

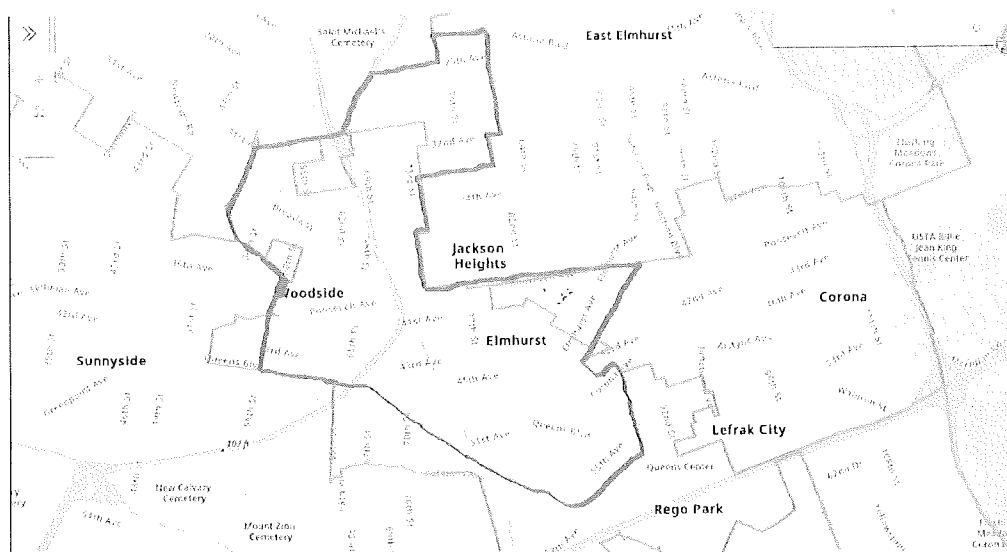

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

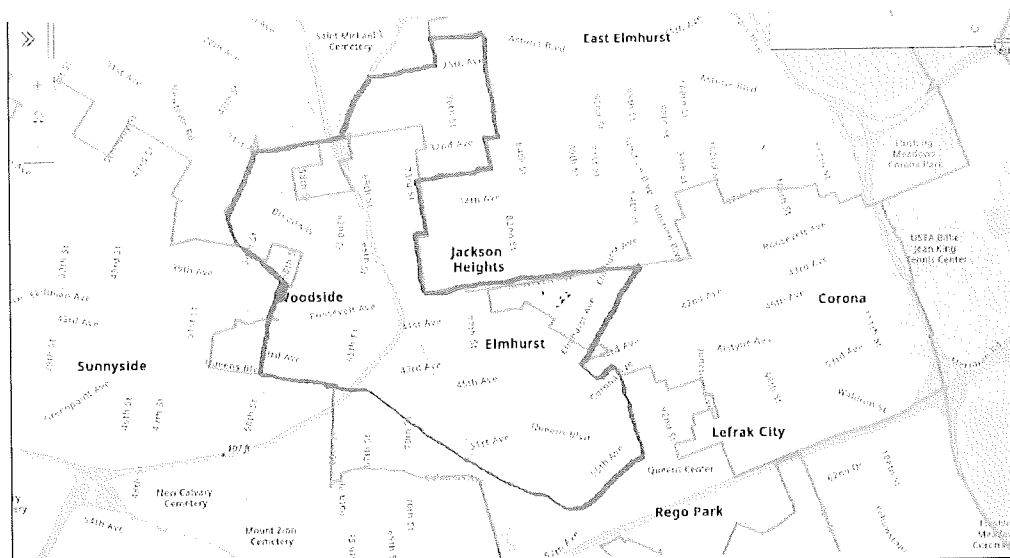

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

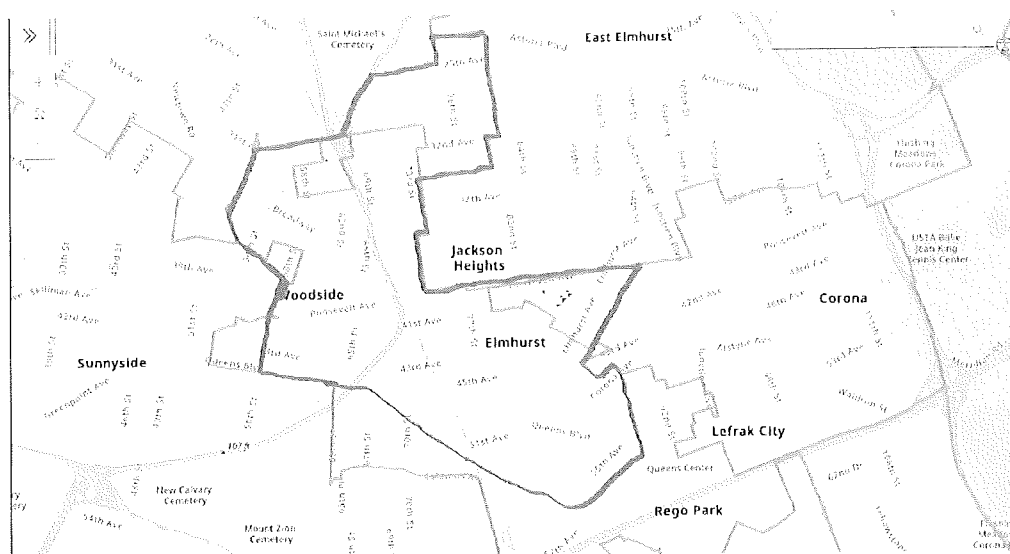

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

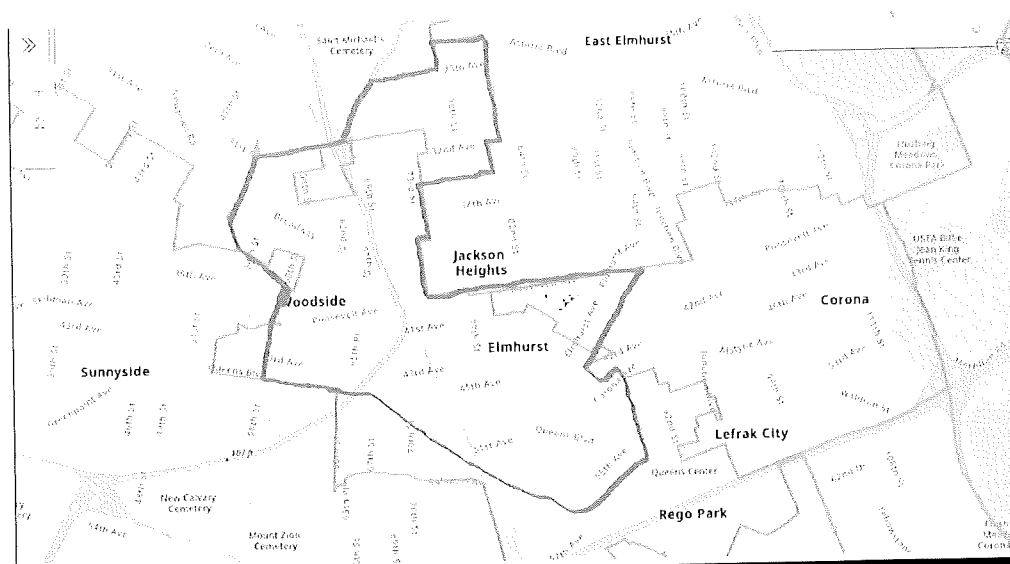

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

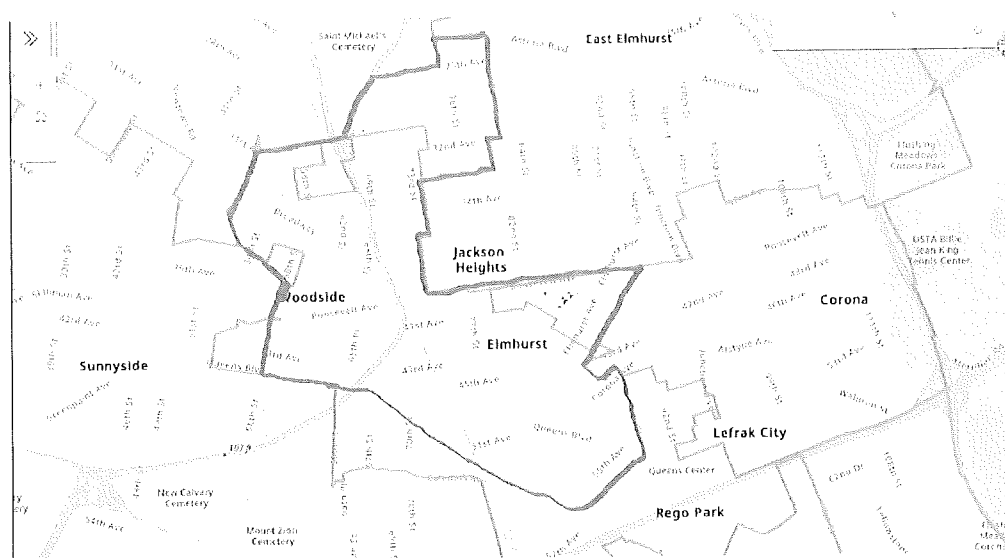

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

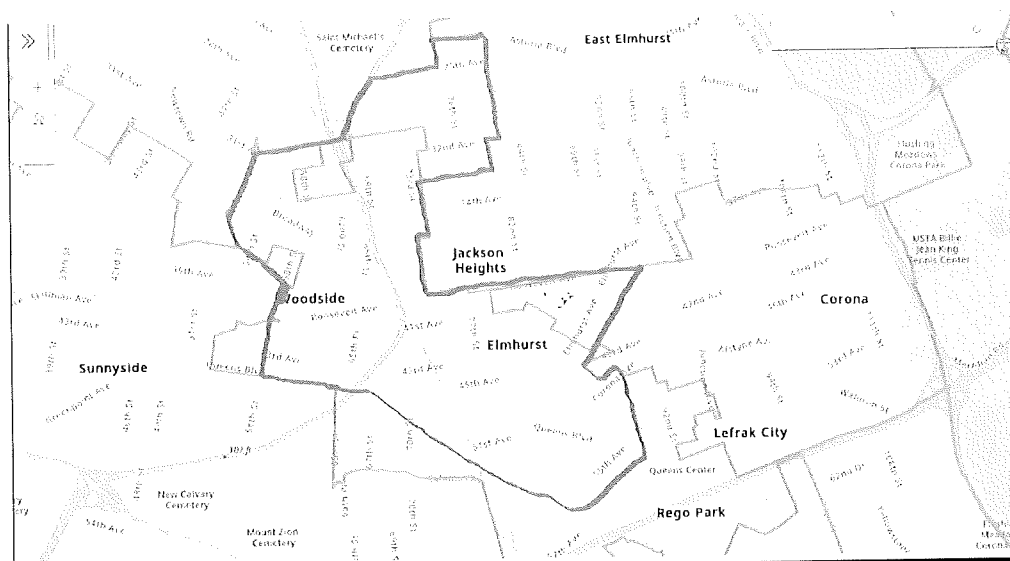

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

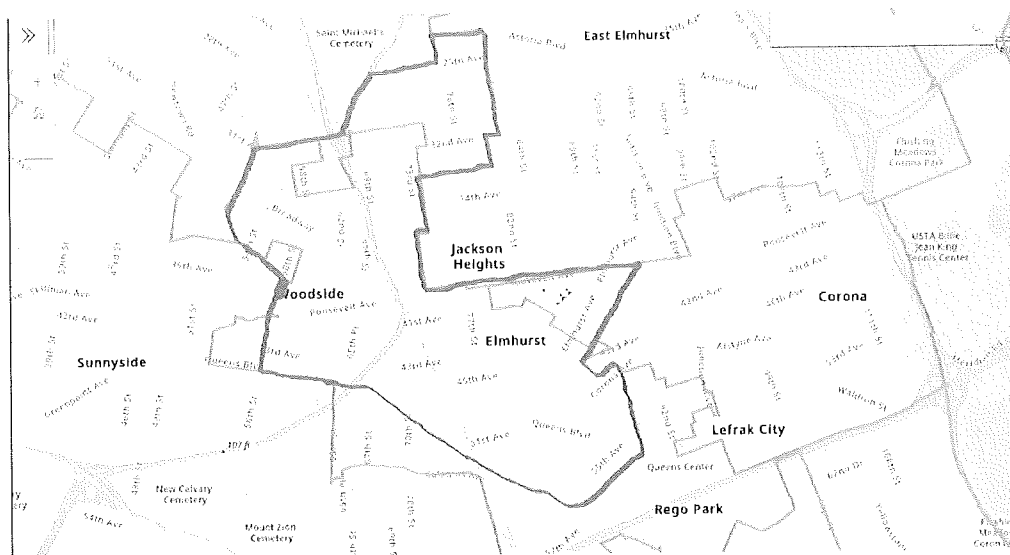

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

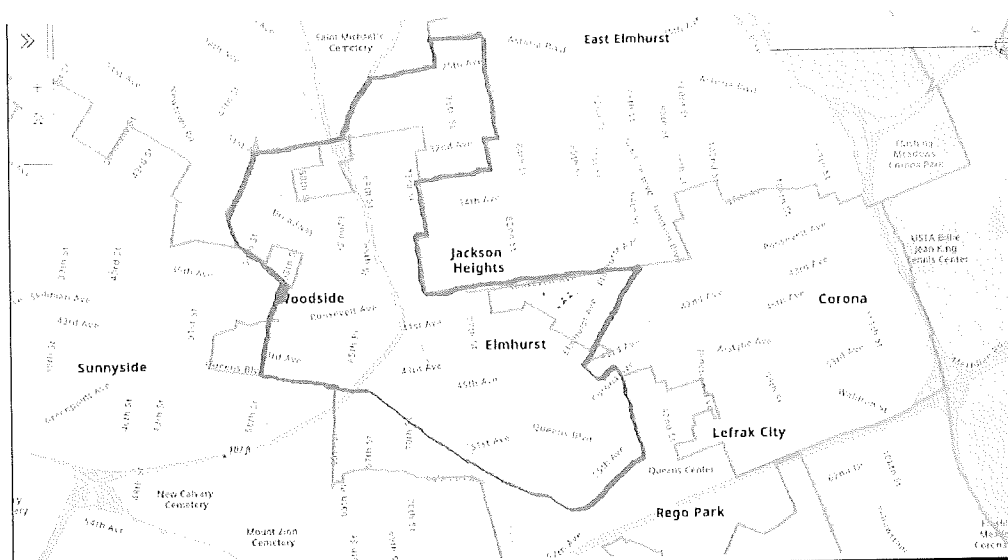

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

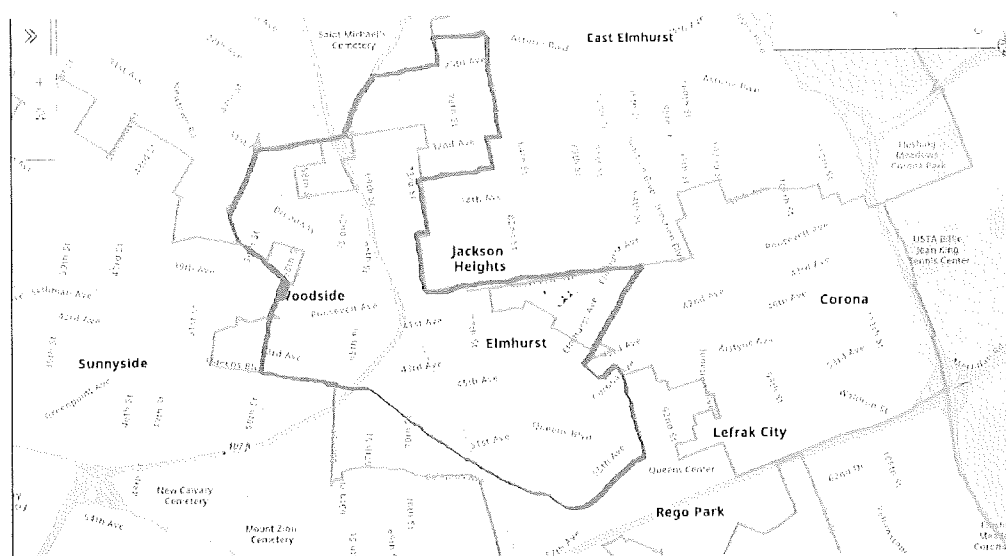

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

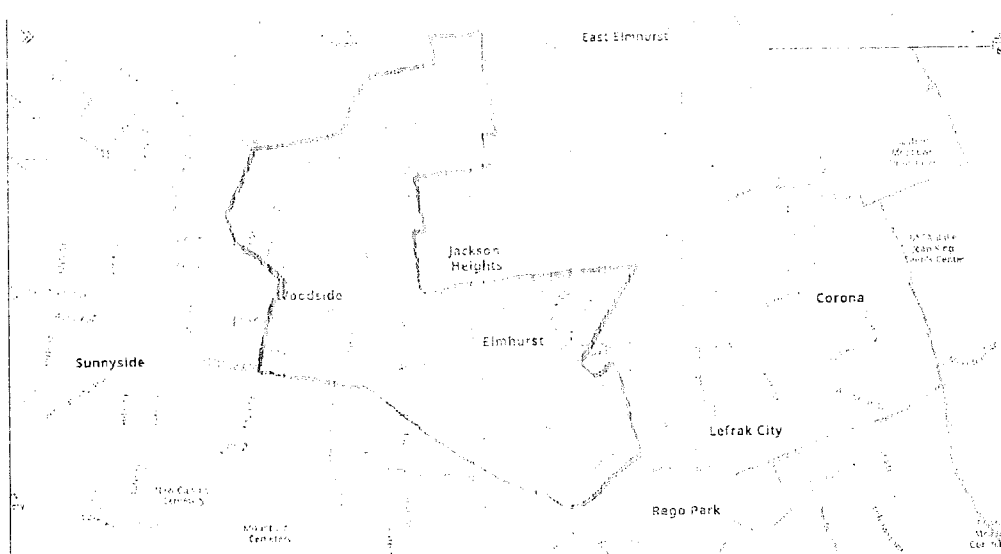

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30)..

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

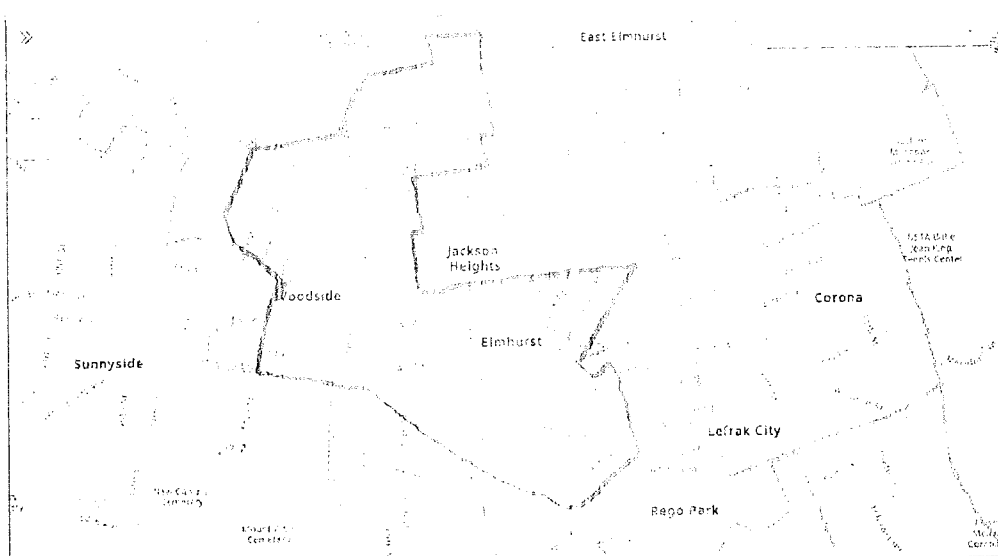

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

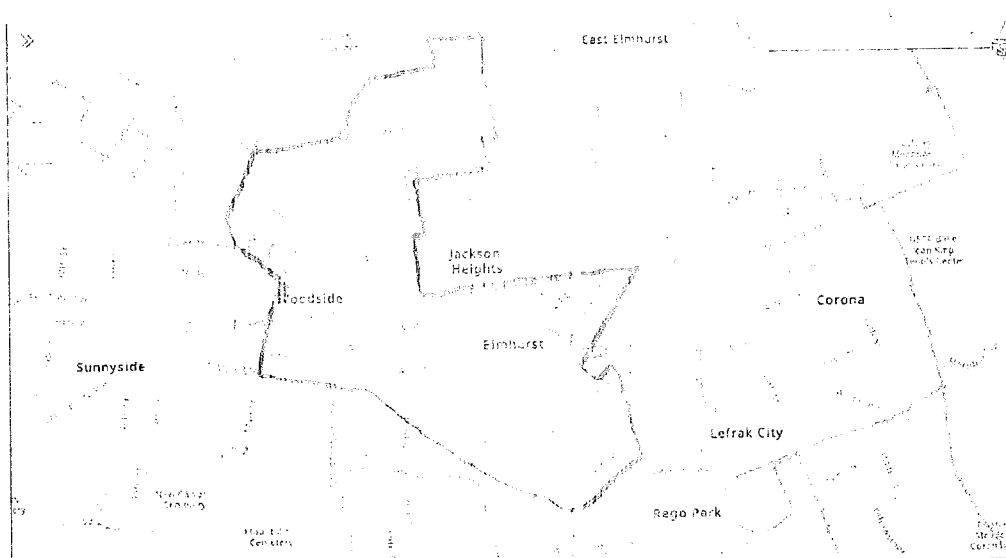

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

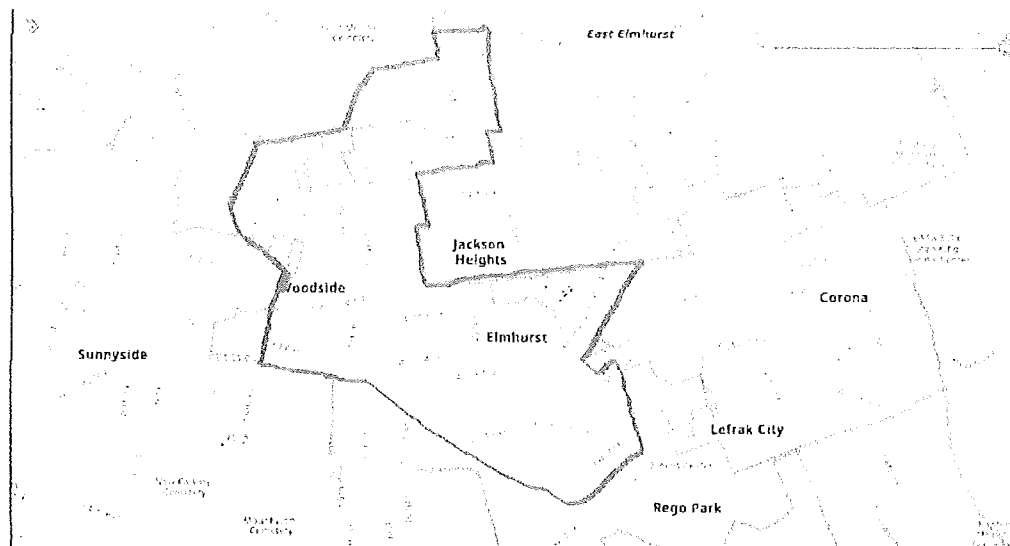

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

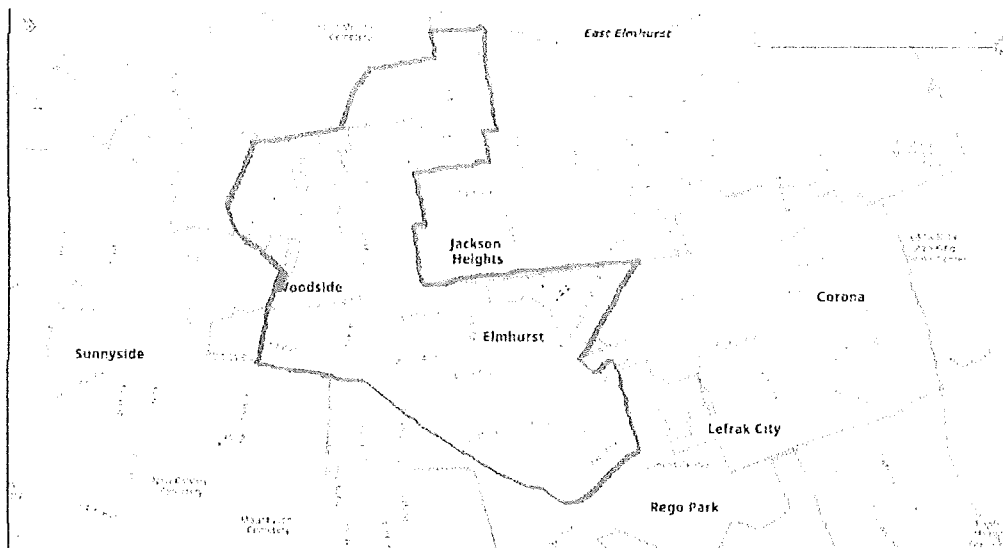

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

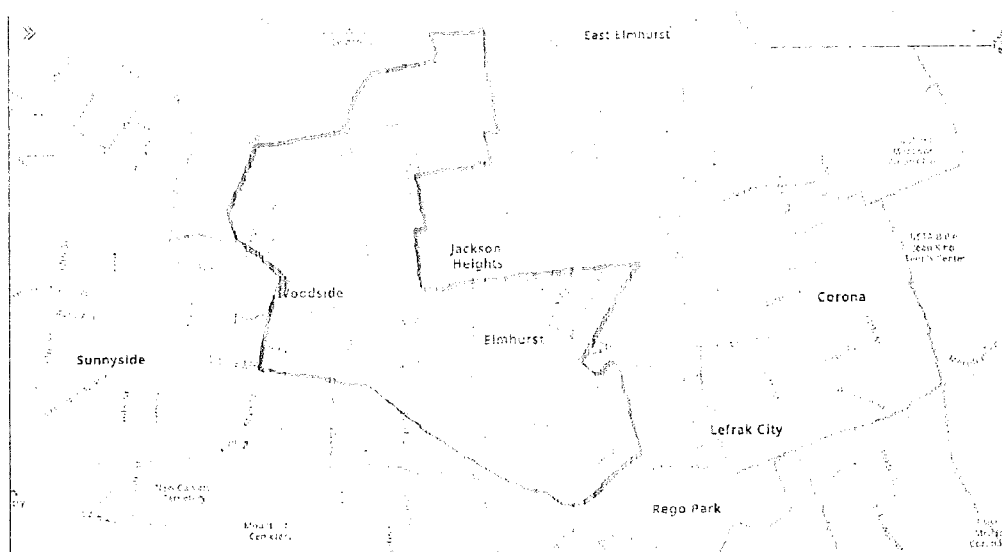

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

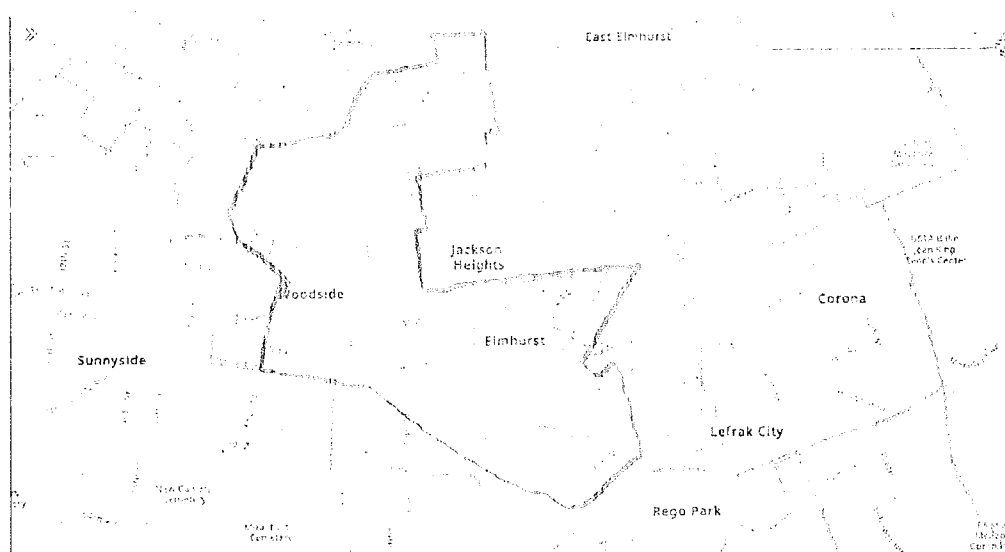

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities.
