

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

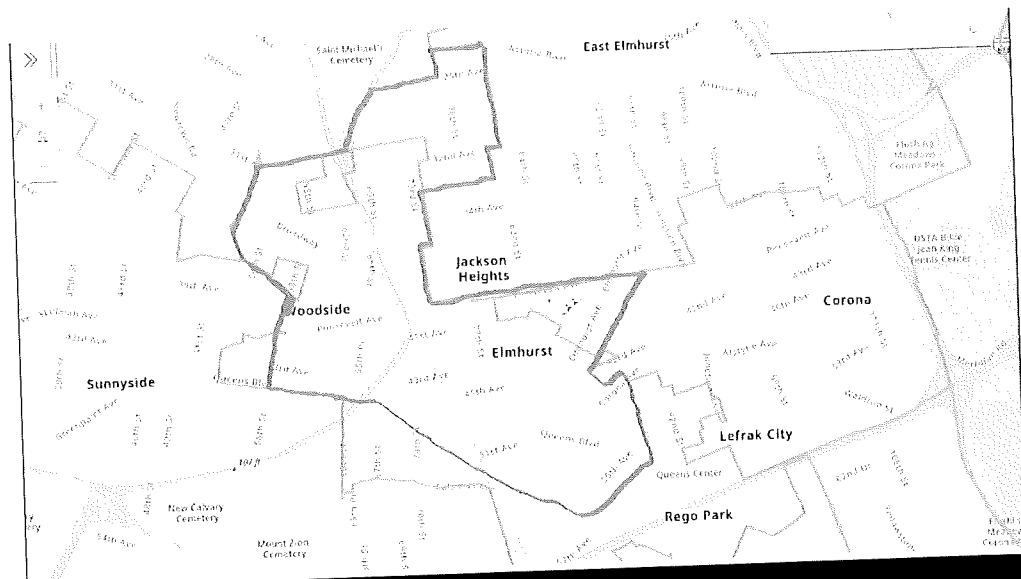

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

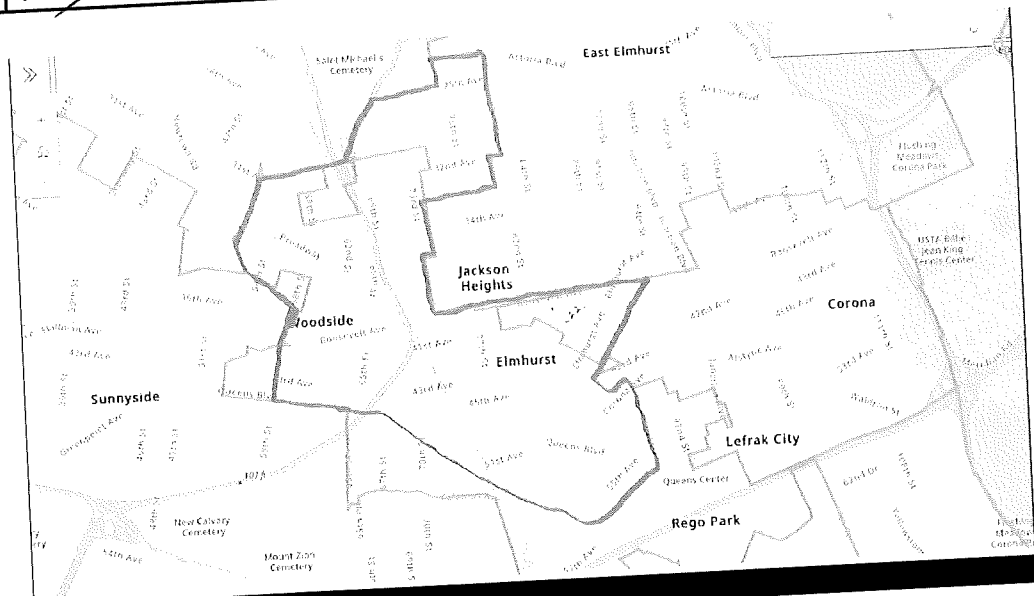

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

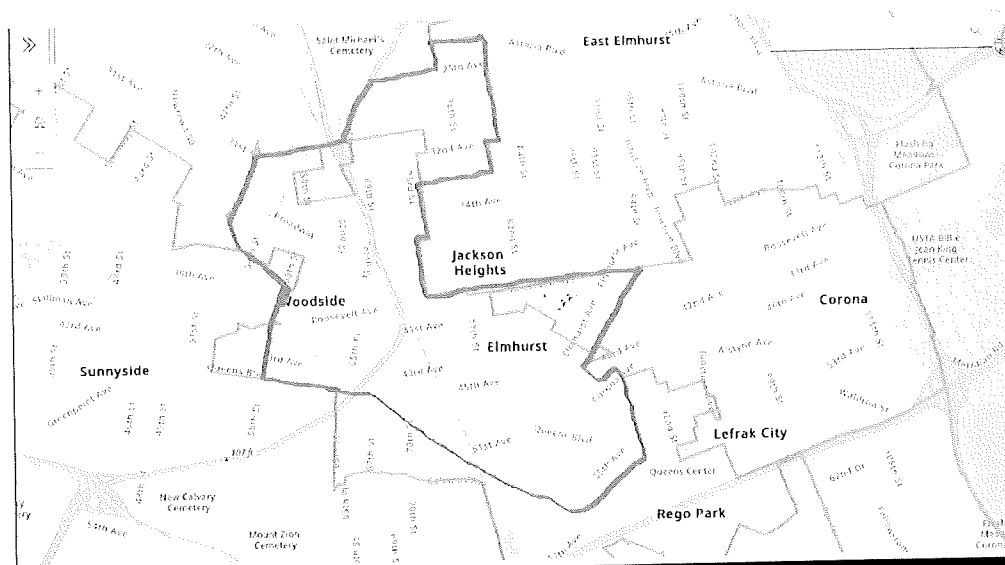

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

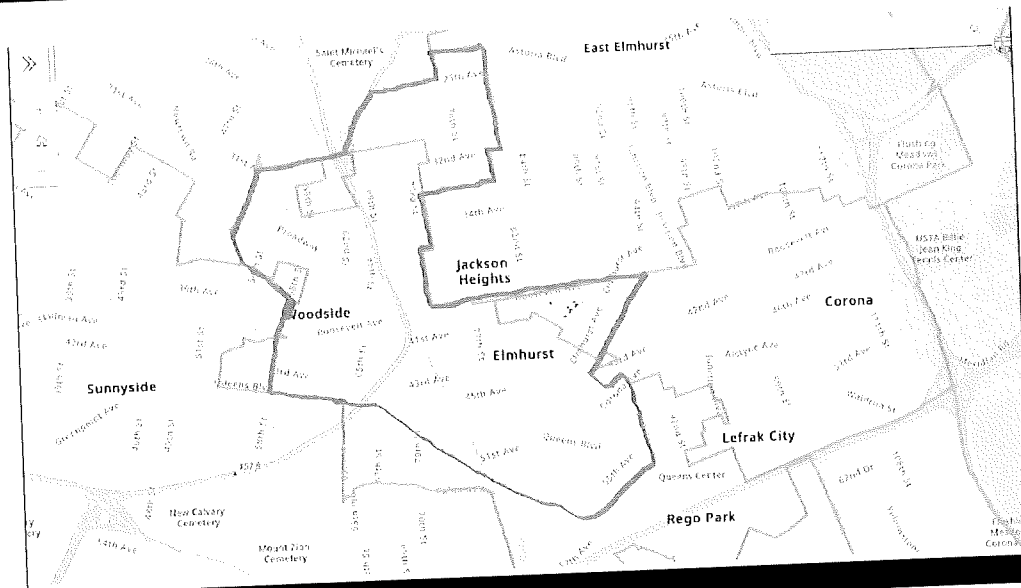

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

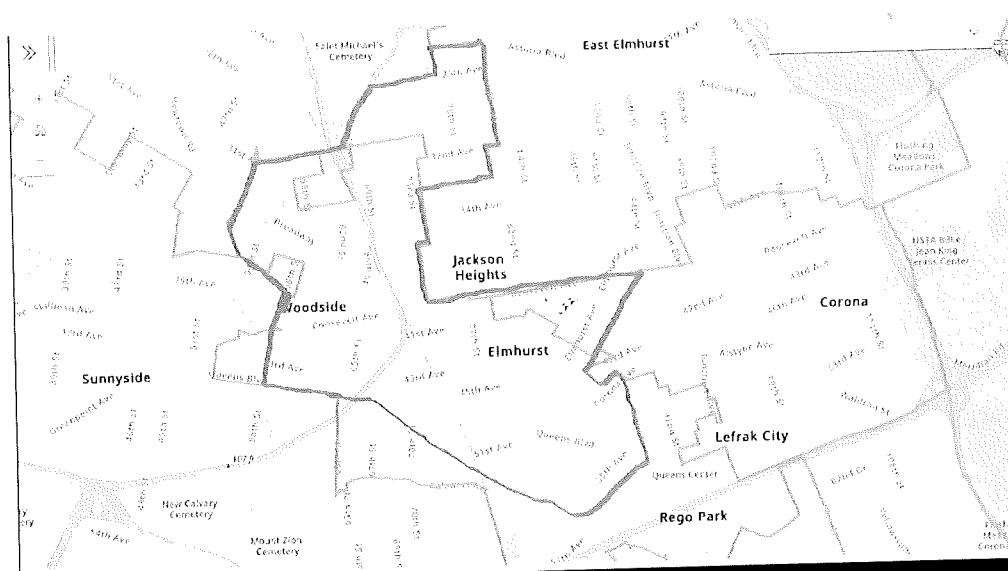

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

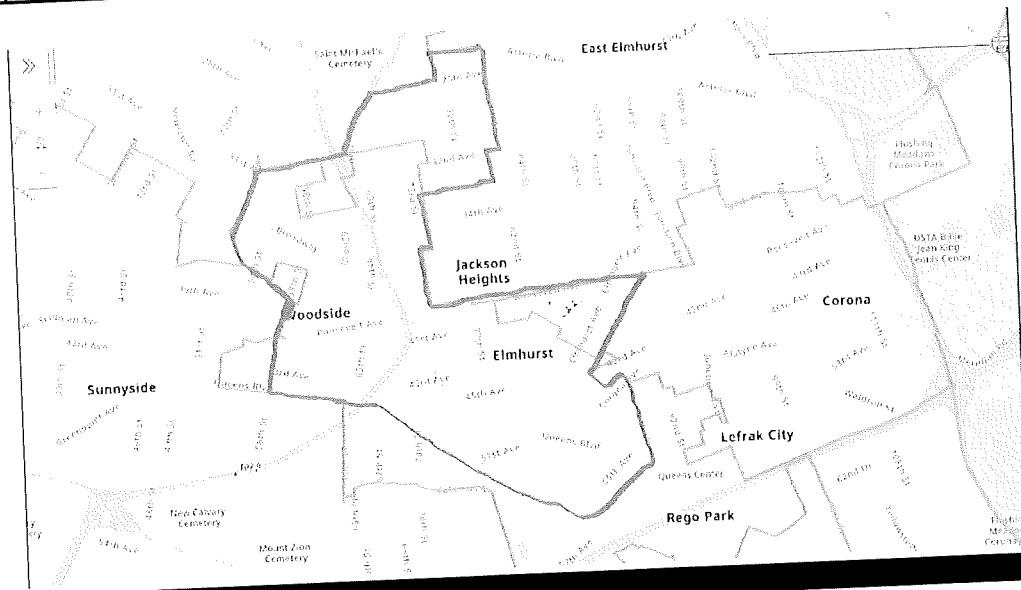

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

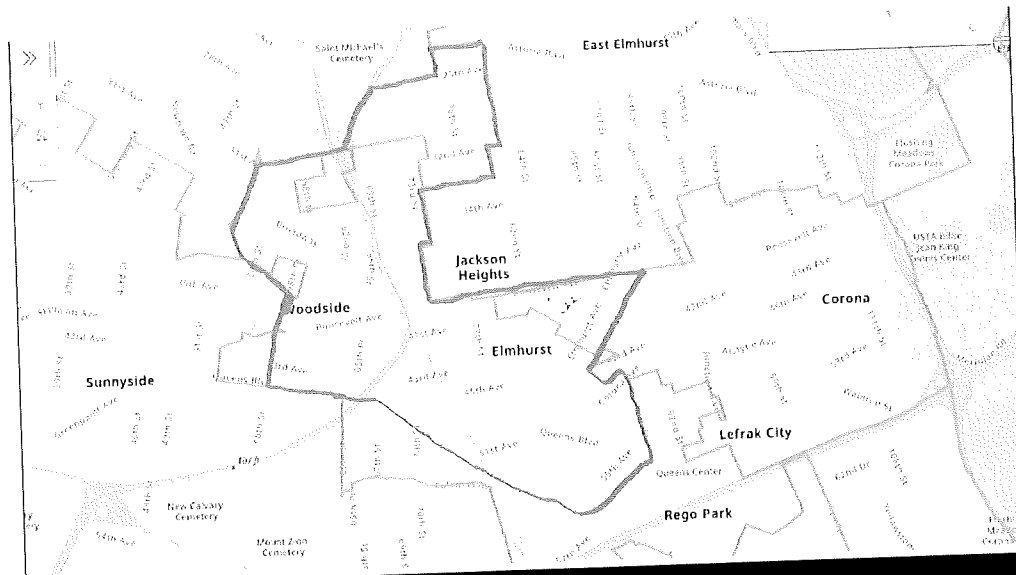

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. Independent Redistricting Commission**

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

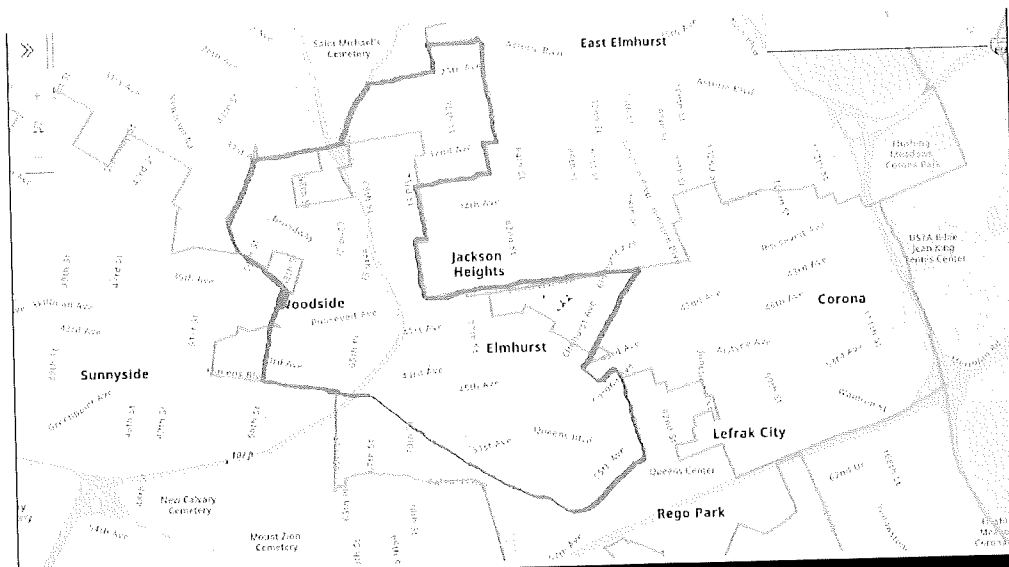

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

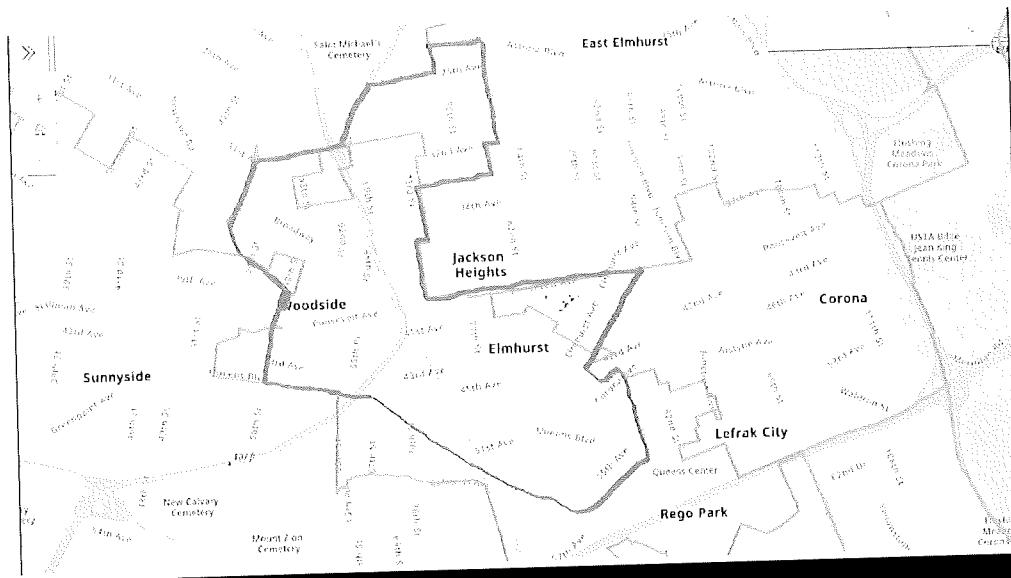

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

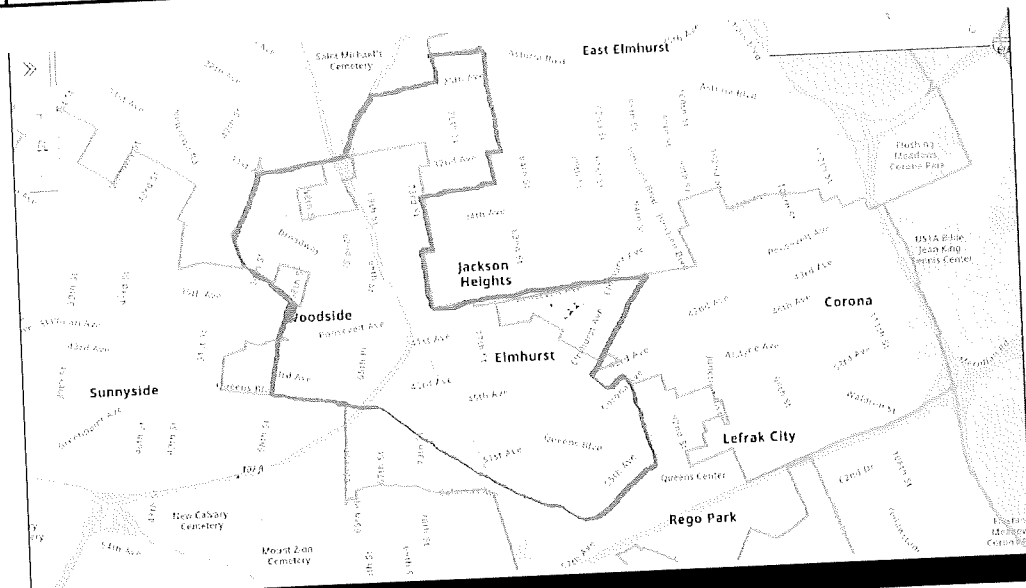

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

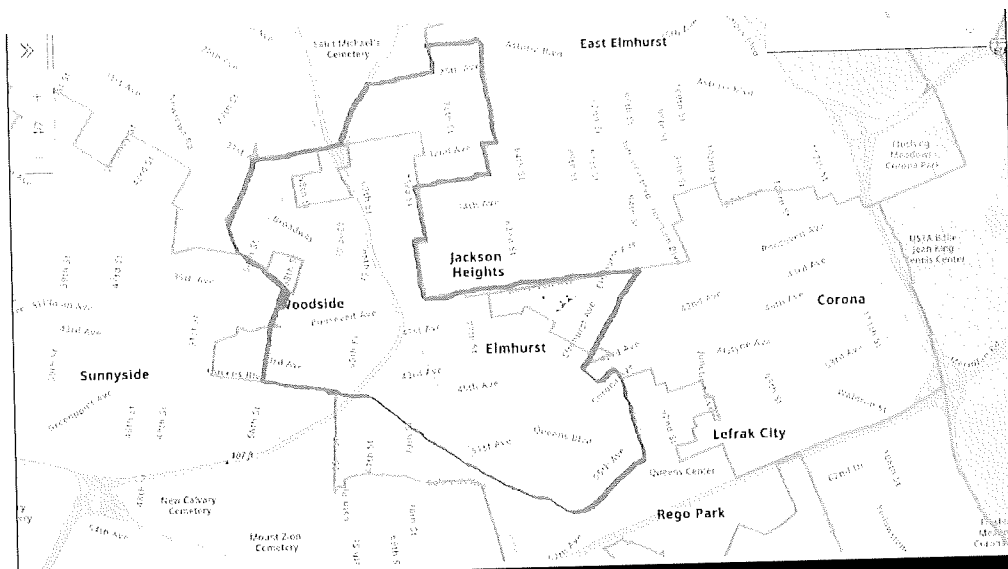

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

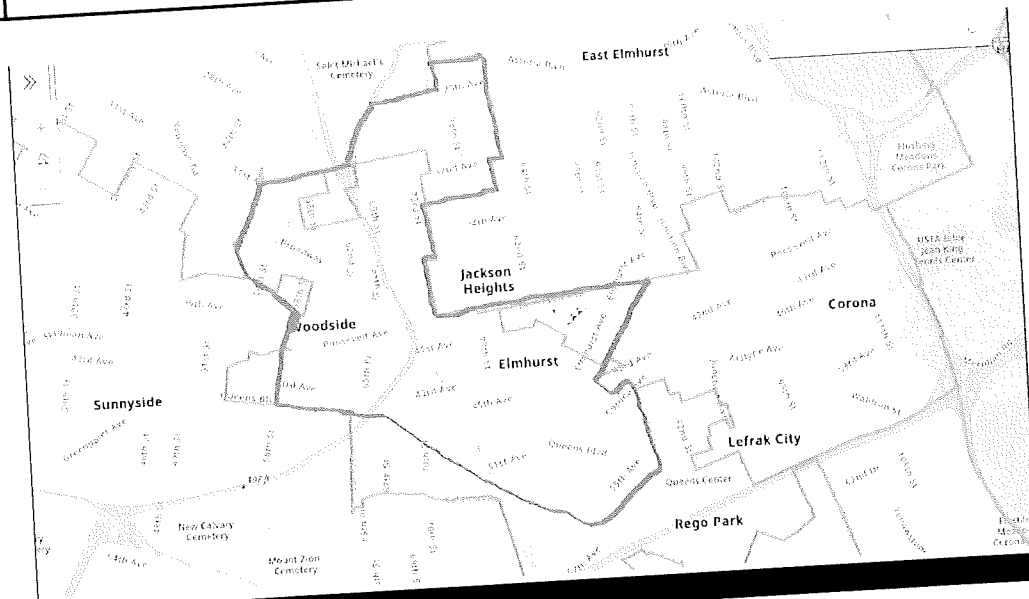

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

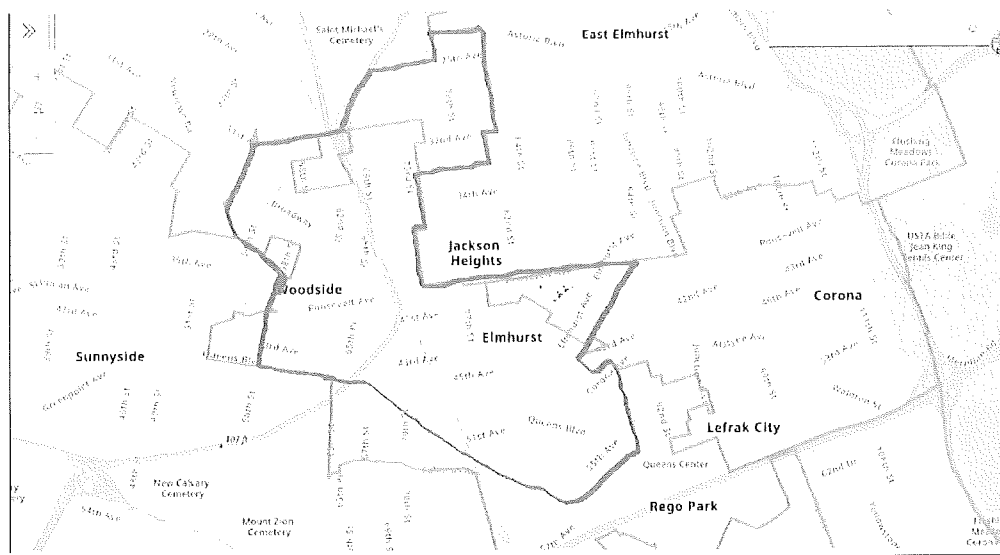

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

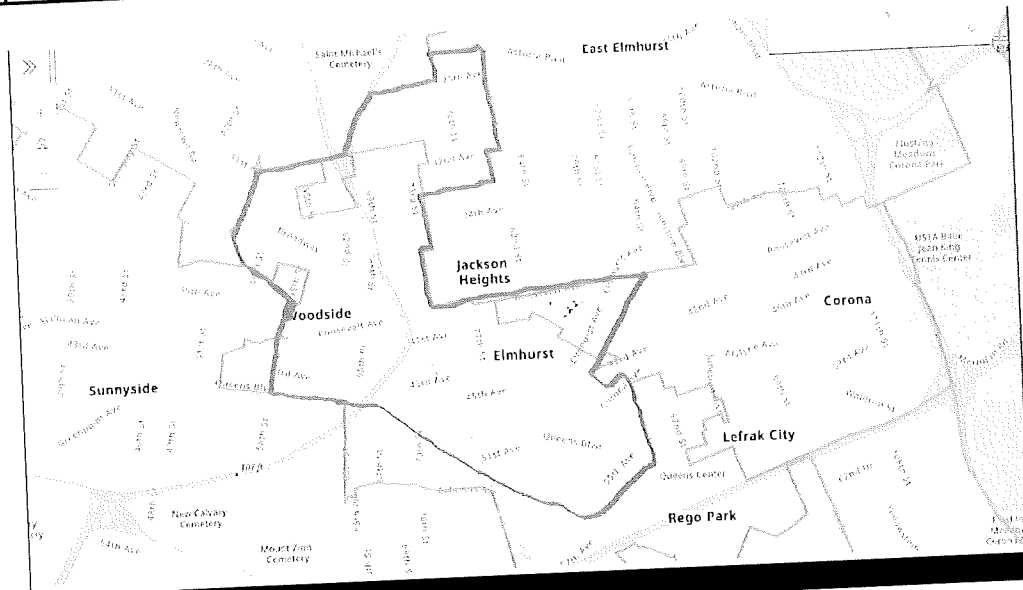

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

**Petition to New York State
Independent Redistricting Commission**

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

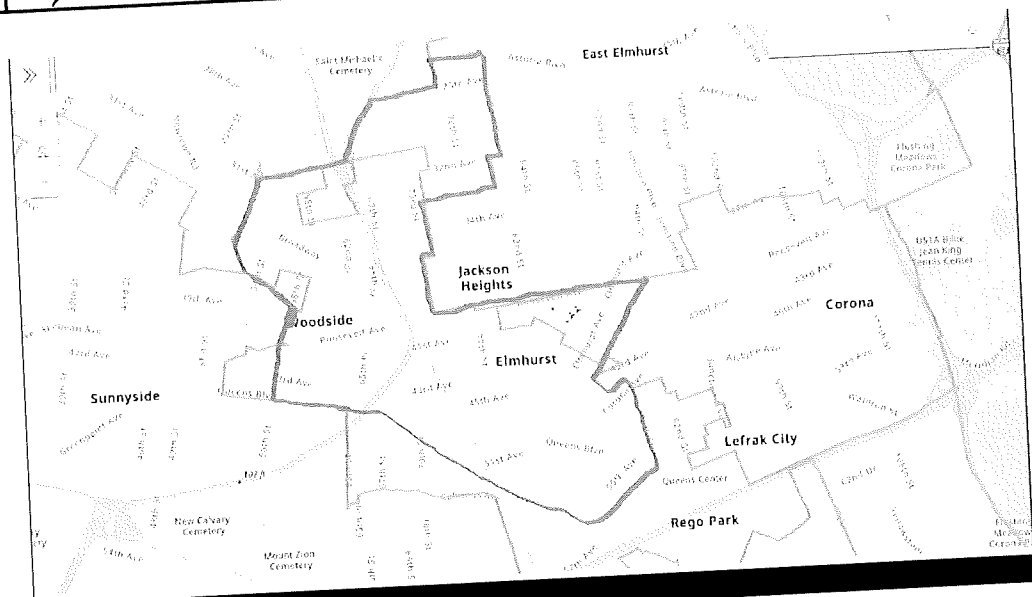

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

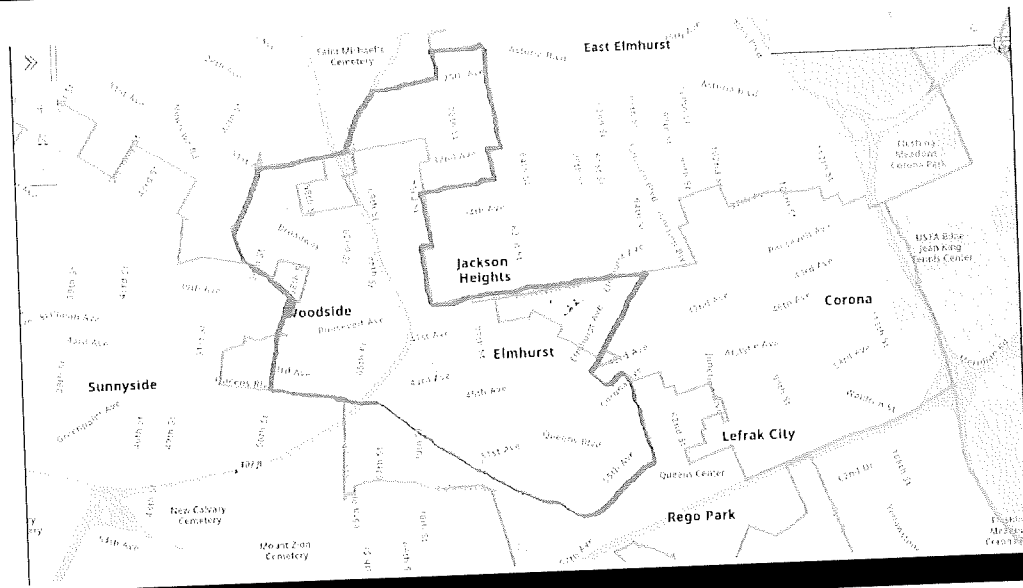

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Petition to New York State Independent Redistricting Commission

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

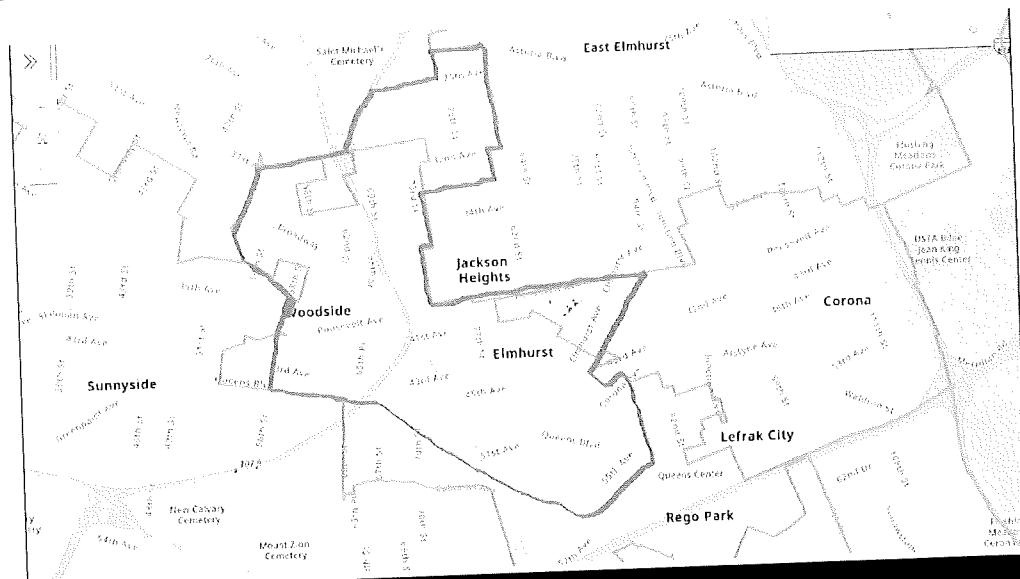

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hantia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

**Petition to New York State
Independent Redistricting Commission**

Esteemed members of the commission:

I humbly request that you keep my family members and neighbors in Assembly District 30 because the proposed 2023 map divides our community into four (4) Assembly Districts.

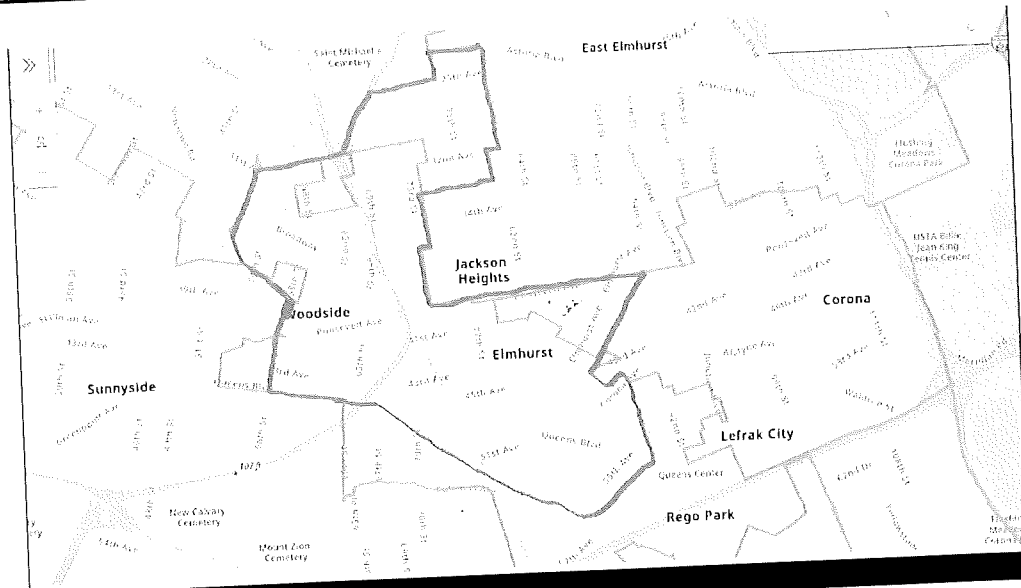

The South Asian communities from India, Pakistan, Bangladesh, Nepal, and Tibet share a similar culture. We live and shop in the Jackson Heights area, which is our home, and we want to stay together in one Assembly District (Assembly District 30).

Muslims are required to pray five times a day. Therefore, we have built several masjids in the Elmhurst, Jackson Heights and Woodside areas. The proposed map removes Abu Huraira Masjid, located on 80 Street between 30 and 31 Ave, Baitul Ateeq Masjid on 61 Street, between Northern Blvd and 32nd Ave, Hanfia Masjid on 57 Street, between Northern Blvd and 32 Ave, and Fatima Masjid at the corner of 58 Street and 37 Ave. It also removes Masjid Al Toufiq, located at the corner of Forley Street and Britton Ave. These masjids are connected geographically with the Elmhurst, Jackson Heights, and Woodside communities. They are vital to our daily lives, and we must remain together in Assembly District 30.

For your information, I have submitted a map for Assembly District 30 that will keep the communities together, keep the territory together, and be fair to all communities.

Sincerely yours,
