14 § 112. Separability of congressional districts. Each congressional
15 district created by this article shall be deemed a separate district for
16 the purpose of apportionment of the entire state into congressional
17 districts. If one or more congressional districts created by this arti-
18 cle are judicially found not to be in compliance with the decisions and
19 mandates of a court of competent jurisdiction, only the defective
20 district or districts and those immediately adjacent or contiguous ther-
21 eto shall be reapportioned. All other districts shall be deemed to be
22 properly created.

23 § 2. Construction. a. This act shall be liberally construed to effec-
24 tuate the purposes thereof and to apportion and district this state in
25 compliance with constitutional and statutory requirements.

26 b. It is intended that this act and the congressional districts
27 described herein completely encompass all the area of the state. It is
28 also intended that such districts apportioned on the basis of 2020 popu-

1 lation, contain the whole number of persons in this state. It is further
2 intended that the apportionment and districting provided for in this act
3 result in the creation of districts containing equal population as near-
4 ly as practicable. It is also intended that no district shall include
5 any of the area included within the description of any other district.

6 § 3. Saving clause. a. If the districts described in the act do not
7 carry out the purposes thereof, because of unintentional omissions;
8 duplications; overlapping areas; erroneous nomenclature; lack of
9 adequate maps or descriptions of political subdivisions, wards, or other
10 divisions thereof, or of their boundary lines; street closings, changes
11 in names of streets, or other changes of public places; alteration of
12 the boundary or courses of waters or waterways, filling in of lands
13 underwater, accretion or other changes in shorelines or alteration of
14 courses, rights of way, or lines of public utilities or other condi-
15 tions, then the state board of elections, at the request of any person
16 or candidate, aggrieved thereby, shall, by order, correct such omis-
17 sions, overlappings, erroneous nomenclature, or other defects in the
18 description of districts so as to accomplish the purposes and objectives
19 of this act.

20 b. In promulgating such orders, the state board of elections, in addi-
21 tion to achieving equality in the population of districts and ensuring
22 that all areas of the state are completely and accurately encompassed in
23 such districts, shall be guided by the following standards:

24 (1) Gaps in the description of any district shall be completed in a
25 manner which results in a total description of that district consonant
26 with the description of adjacent districts and results in complete
27 contiguity of districts.

1 (2) Areas of the state included within the descriptions of more than
2 one district shall be allocated to the district having the lowest popu-
3 lation.

4 (3) Areas of the state not included within the descriptions of any
5 district shall be allocated to the adjacent district having the lowest
6 population.

7 (4) In the event that the area subject to corrected description or
8 allocation as provided in paragraphs one, two or three of this subdivi-
9 sion, is of such size or contains such population that its inclusion as
10 a unit in any district would result in substantial disparity in the
11 size, shape or population of such district, then the state board of
12 elections may allocate portions of such area to two or more districts.

13 (5) In any allocation of area or correction of a description made
14 pursuant to this section, the state board of elections shall, consistent
15 with the foregoing standards, preserve the contiguity and compactness of
16 districts and avoid the unnecessary division of political subdivisions.

17 c. Copies of such orders shall be filed by the state board of
18 elections in its own office and in the office of the affected boards of
19 election. A copy of each such order shall also be filed by the state
20 board with the legislative bill drafting commission to facilitate it in
21 performing its functions under section 70-b of the public officers law.
22 In addition, a copy of such order shall be served upon the person or
23 candidate, if any, who instituted the application for such an order. The
24 state board of elections may adopt reasonable rules regulating the
25 procedure for applications for orders under this section in the manner
26 of serving and filing any notice or copy of orders relating thereto.

27 d. Upon the filing of such an order, the description of any affected
28 district shall be deemed to have been corrected in the manner provided

1 in such order to the full extent as if such correction had been
2 contained in the original description set forth in this act.

3 e. In furtherance of effectuating the provisions of subdivision d of
4 this section, the legislative bill drafting commission, upon receipt
5 from the state board of elections of an order promulgated pursuant to
6 subdivision b of this section, and upon the approval of the temporary
7 president of the senate and the speaker of the assembly, shall cause the
8 description of a congressional district altered pursuant to any such
9 order to be revised accordingly within its data base of the laws of the
10 state of New York so that such altered district may be contained in a
11 publication of the state law and be certified to as a correct transcript
12 of the text of law relating thereto such district in the manner author-
13 ized by section 70-b of the public officers law.

14 f. If any part or provision of this act relating to any congressional
15 district shall be adjudged invalid by a court of competent jurisdiction,
16 such judgment shall: (1) be confined in its operation to the part or
17 provision of this act or the district or districts described herein
18 directly involved in the controversy in which such judgment shall have
19 been rendered, and (2) not affect or impair the validity of the remain-
20 ing parts, provisions or districts described in this act or elsewhere.

21 g. The congressional districts of this state, as existing immediately
22 prior to the effective date of this act, shall continue to be the
23 congressional districts of the state for the purpose of filling vacan-
24 cies in the office of representative in congress at any special election
25 held prior to the general election of the year 2024.

26 h. The congressional districts of this state, from and after the
27 effective date of this act, shall be the congressional districts of the
28 state for the purpose of designating and nominating candidates for

1 representatives in congress, and for electing district delegates and
2 alternate district delegates to national party conventions.

3 i. In order to provide for an orderly election of members of the
4 congress from the state of New York and in recognition of the constitu-
5 tional mandate that congressional districts shall be created by law
6 subject to judicial review under such reasonable regulations as the
7 legislature may prescribe, it is hereby determined and declared that no
8 order of the court invalidating this act or part thereof shall be
9 entered in a manner which will deprive the legislature of an opportunity
10 to discharge its constitutional mandate. In any proceeding for judicial
11 review of the provisions of this act, the determination of the court
12 shall be embodied in a tentative order which shall become final 30 days
13 after service of copies thereof upon the parties unless the court shall,
14 in the interval, on application of any party, resettle its order.

15 j. If any clause, sentence, paragraph, section or part of this act
16 shall be adjudged by any court of competent jurisdiction to be invalid,
17 such judgment shall not affect, impair or invalidate the remainder ther-
18 eof, but shall be confined in its operation to the clause, sentence,
19 paragraph, section or part thereof directly involved in the controversy
20 in which such judgment shall have been rendered.

21 § 4. Separability. If any clause, sentence, paragraph, section or part
22 of this act shall be adjudged by any court of competent jurisdiction to
23 be invalid, such judgment shall not affect, impair or invalidate the
24 remainder thereof, but shall be confined in its operation to the clause,
25 sentence, paragraph, section or part thereof directly involved in the
26 controversy in which such judgment shall have been rendered.

27 § 5. This act shall take effect immediately.
